**You Were Born to Be
G.R.R.R.E.A.T.!!!!™**

I Was Born to Be GREAT!

And positively uplift my name.
Not by bullying, hazing or hurting anyone,
Or watching others be bullied or made to feel shame.

I Was Born to Be GREAT!

Around me every positive person will feel safe and belong.
I can help change things for the better,
As a caring individual I will stand strong.

I Was Born to Be GREAT!

In my world there are no bullies allowed!
Bullying is bad and it's the wrong thing to do,
If bullying is your thing—I won't be friends with you.

I Was Born to Be GREAT!

Today, I proudly stand to take **The — I Was Born to Be GREAT Anti-Bullying Pledge...**

My name is (your name),

I will not bully others.

- I know there's nothing good about making others feel hurt, rejected or ashamed.

I will set the example of a caring individual.

- I know using positive words, actions and behavior allows others to feel safe around me.

I will help anyone who is being bullied and encourage others to do the same.

- I know sticking up for someone is always the right thing to do.

I will make a point to include those who are easily left out.

- I know it's not always easy for everyone to get in and fit in.

I will tell a caring adult when I see anyone being bullied.

- I know it's good to help those who cannot stand up for and protect themselves.

I won't stand by... I Stand Up for Bullied Victims and Against Bullying Everywhere!!!

I will live up to my Pledge! For, GREATNESS Is—As GREATNESS Does! I Was Born to Be GREAT!
